

✿ **FUND-raising initiatives** to strengthen learning and teaching ✿

We are very grateful to have the blessings of God and the support of community partners, friends, and HTYC members for the past 45 years of school development. Now, in the light of the diverse needs of students nowadays, we would like to further strengthen our capacity to offer high standard education through the upgrading of learning facilities and refinement of grouping arrangements for lessons. Therefore, we will launch a number of fund-raising initiatives to build up resources for the purpose.

Objective:

HK\$ 3 million

- (i) to employ 2-3 more teachers * for a period of 3 years to facilitate grouping arrangements in English, Chinese, and Mathematics in junior secondary levels
- (ii) to upgrade school learning facilities ** which can meet the high standards of a modern facilitative learning environment

* Expenditure on 1 contract teacher at the starting salary \cong HK\$350,000 / year (Expected expenses \cong HK\$2,100,000)

** Expected improvements (Expected expenses \cong HK\$900,000)

including:

whole school CCTV security system \cong HK\$ 70,000
infra-red body temperature detection system \cong HK\$ 30,000
projection facilities in the classrooms and school hall \cong 250,000
audio-visual facilities in the classrooms \cong 200,000
