

Our School

School Mission

HTYC offers, in a Christian context, an all-rounded education that encourages and enhances the development and growth of our students morally, academically, physically, socially, aesthetically, and spiritually, and promotes their sense of commitment to the community and mankind.

School Motto

Think Critically. Be Moral

HTYC Emphases

High expectations with love

HTYC Spirits

Healthy, Tenacious, Young, Caring

We are Hioecians

Academic Achievements

75% of HTYC graduates in the recent years continued their education by pursuing tertiary degrees in universities. Our graduates were admitted into a diverse range of programmes, including Medicine, Dental Surgery, Engineering, Global Business Studies, and AI (Systems & Technologies).

Admission to Bachelor's Degree Programmes

Biomedical Sciences Psychology Pharmacy Nursing

Engineering (AI) Mathematics & Economics
Information Systems Business & Management
Science Global China Studies

External Achievements

HTYC students participate in a range of external competitions and are awarded with various prizes and awards.

Multiple Intelligences

HTYC places a strong emphasis on the whole-person development of our students with the provision of a wide variety of activities. We aim at helping students develop their multiple intelligences and potentials, sculpting them into well-rounded individuals, aiding them in laying the foundation for a fruitful and abundant life.

Language Development

IT Development

STEAM Development

Development in Sports Talents

Development in Musical Talents

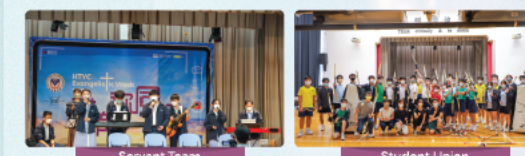

Development in Aesthetic Talents

Leadership & Service

HTYC advocates cultivating servant leaders who not only care for others but are also willing to serve the community. We have launched a 6-year cycle community service programme, enabling students to know more about different organisations and progressively join a multitude of volunteering work.
